Fly like a jet fighter !

A good willed ~
I have to avoid those plants... Otherwise, I won't die...

If the plan is successful,
I will fly to a good place
I suppose a good weather is better for this.

『ラポイ!』

第14話 Dear God, help.

I am telling you. You were crying your eyes out like a little puppy.
So ?
So ~ ?
Hmm.
You do know how many years we've been together, right ?
Do you think I'd fall for such a cheap trick ?
You think I am lying ?

Well, I think I was wearing something weird.
You were wearing an alice dress ~
Hmm. I didn't it hurt though.
A dream ? Did you check back of your head ?
Huh ? I thought I had a dream.
But Taira, didn't you find something amiss when you woke up ?
Whatever ! I am going home !
Hahaha ! What a funny guy you are !
Wanna know ?
Uh, Well
What happened to me ?
Hey
Let's be serious Don't you remember anything ?

Forget it !
You are going to tell me something weird again.
Wooh, you don't trust me at all, do you
If you want my trust... earn it ! Show me that you are sincere !
Here. See here. I am sincere.
Where ?!
Here. See ?
Let me see...
Ah !
Ni...
Ninoshita ...
sensei.
Now, show me how sincere you are with the upcoming exam !
Now, Banri. Come with me to the staff room.

To Taira kun.
I want to be your friend.
I will wait for you at the hall behind the school after class.
3-D, Kojima Michiaki
This has happened to me numerous times before ... especially after a festival.
For a week, freshmen, juniors, and even seniors were all after me. All guys of course.
After I
at a festival,
enthusiastic.
They came at lunchtime,
and
classes.
I hit them hard. I kicked them hard.
When there were too many, Ban'i joined me to repel those people. After a week of the ordeal, my fighting skills improved vastly.

Compared to that... it's only one person, and I am a senior now, so there is no

I did read ! You are Kojima Michiaki, right ?
Fight me first !
What ?
I just — want to be a friend ...
What ?
Um. , Taira ..
Did you — read my letter ?
Come on.
I didn't know what "let's be friend" meant last year, so I got into a lot of troubles !
But Bann told me the truth now !
I am sorry but you can't feel me like that !
Last year I fell for such letters from guys.
No way am I going to become a slave !
"Friend" means slave !

You did not ?!
I didn't mean a slave or anything
W, wait, Taira !
I just want to be a friend !
Now, face me Kajima !
I will come at me if you hesitate !
What ?
I am going to transfer to another school next week.
I want to talk to a friend while I am still in this school
I am going to leave this school soon and I don't have anything to remember this place once I leave
I haven't had any friends, so I've been lonely
I figured that you might became my friend ...

おわ ようわ
Sorry I ... I knew that you were my classmate !

I ... don't have much presence so I bet you didn't know that we were class-mates

I know my classmates ignore me...
I guess ... you are the same.
No ... it's quite alright. Everyone says that.
I am... not good at making friends
We are friends already !
What are you talking about ?! We are classmates !
You don't need to ask things like that !
I knew you that, Taira.

You see, my father relocates a lot due to his job.
I was transferred to this school as a junior.
I see. I didn't know that you were a transfer student.
The last school, I went ... I don't have good memories of it.
I was transferred to the last school as a freshman. They bullied me just because I was a transfer student.
Eh ?
Like hiding my shoes. Demanding money from me ...
Though I think it was better than it is now
Well, I didn't want to experience the same thing, so I decided not to talk anyone in this school
Not everyone is — the same.
You are right. Still, I thought otherwise.
What ? But there is an exam coming real soon.
Well Kajima, let's have some fun on this Sunday.
あ
Can I visit your home ?
Then ... let's study together then.

Taira ?
So... I don't have a home...
You see, my 親 are... technically my... They when 母
It's... not a very idea.
Eh?, Ah, nothing.
quite... chaotic

Taira ?
Ah !
Ah ?

You know Kajima Michaki, right ?
I was told that his parents aren't his real ones.
His real mother is his step mother's... sister.
He is going to transfer again next week because his step father relocates often.
Ah ?
Did he send you a letter ?
Yeah, how did you know?
Stop that
What ?
Don't say that ! He isn't dangerous ! He is not good at making friends ! That's all !
What are you talking about ?
Bann !
He was afraid because he was bullied in his last school
But I found that he was a decent guy, and we knew barely that he was our classmate all along !
He seems to be on edge. He may be dangerous.
Avoid him

He said he has been all alone ever since he came to the school...
I wonder how that's like...
なんだろう
Kajima!
What? But we finished lunch just now
It's okay! Come on!
Let's play!
